Notes

1. This form is not for use by overseas shareholders and the conversion facility is not available to overseas shareholders except where appropriate confirmation has been provided to the Board of BMO Managed Portfolio Trust and the Board are satisfied that it would be lawful for the Conversion facility to apply under the relevant overseas laws and regulations.
2. A separate form must be completed for each account held.
3. If you elect to participate in the share conversion process prior to the Friday 25 September 2020 deadline, you will not be able to trade the shares to which the election applies, until the conclusion of the Conversion process, anticipated to occur on 29 October 2020, the Conversion date.
4. If the number inserted in Box (1) exceeds the number of Growth Shares registered in your name(s) then we will take this as your instruction to convert all of your Growth Shares into Income Shares. If the number inserted in Box (1) is less than 1,000 (the minimum per shareholder for the 29 October 2020 conversion) and does not represent your entire Growth shareholding, your election will be invalid and you will not have any of your shares converted.
5. If the number inserted in Box (2) exceeds the number of Income Shares registered in your name(s) then we will take this as your instruction to convert all of your Income Shares into Growth Shares. If the number inserted in Box (2) is less than 1,000 (the minimum per shareholder for the 29 October 2020 conversion) and does not represent your entire Income shareholding, your election will be invalid and you will not have any of your shares converted.
6. In the event that any Conversion Instruction Form is not fully completed or is completed incorrectly, inaccurately or illegibly, the Directors shall have absolute discretion as to whether the Conversion Instruction Form is treated as invalid or interpreted in accordance with what they consider to be the wishes of the holder(s). You shall, by signing this Conversion Instruction Form, agree that neither the Company nor the Directors shall have any liability arising out of the exercise of any such discretion.
7. As set out in more detail in the Company's articles of association, shares will be converted into the other share class by reference to the ratio of the relative underlying NAVs (as adjusted for costs) of the Growth shares and the Income shares, as at close of business on the business day immediately prior to the Conversion Date. A resolution was passed at the Annual General Meeting in 2018 to approve certain amendments to the conversion mechanics and the expenses of the conversion will, in the current year, be borne by the Company.
8. The Board of BMO Managed Portfolio Trust PLC may, *inter alia*, change the date or dates on which Conversion Dates fall, set additional Conversion Dates, change the Conversion Notice Period, cancel or postpone a Conversion Date.
9. The Board may at any time set a maximum and/or minimum number of Growth or Income Shares which may be converted on any Conversion Date and may change such maximum and/or minimum in their absolute discretion from time to time. If the maximum limit is exceeded the number of Shares in the request for conversion will be reduced *pro rata* and the request for conversion will not be deemed to apply to the balance of the Shares in the conversion instruction.
10. The Board will specify a minimum net value of assets to be transferred from a Portfolio on any Conversion Date, and may change any such minimum from time to time. If on any Conversion Date, the value of the assets to be so transferred is less than such specified minimum, then the Board may, in its sole and absolute discretion cancel any such conversion.
11. Income Shares arising on Conversion will carry the right to receive all dividends declared by reference to a record date falling after the Conversion Date. Income shares which are converted into Growth shares will carry the right to receive all dividends declared by reference to a record date falling prior to the Conversion Date but not on or thereafter.
12. This form is not a recommendation to convert, or not to convert, any of your shares.
13. Please note that all existing Direct Debit arrangements will remain unaffected unless you provide alternative instructions.
