Appendix

Policy on the Provision of Non-Audit Services by the Auditor

The purpose of the policy is to ensure that no engagement to supply non-audit services by the auditor will be permitted if:

- the provision of the services would contravene any regulation or ethical standard;
- the auditors are not considered to be expert providers of the non-audit services; and
- the provision of such services by the auditor creates a conflict of interest for either the Board or the Manager;
- the services are considered to be likely to inhibit the auditor's independence or objectivity as auditors.

Tax and certain legal services are prohibited as well certain internal control and risk management procedures.

Reference should be made to the FRC's 'black list' of non-audit services that cannot be provided by the external auditor.

The Audit Committee will, in reviewing the auditor's provision of non-audit services consider:

- whether the service has a direct or material effect on the audited financial statements;
- whether the skills and experience of the audit firm make it the most suitable provider of the non-audit services;
- whether there are safeguards to eliminate or reduce to an acceptable level any threat to objectivity and independence to the conduct of the audit due to the provision of such non-audit services;
- the nature of the non-audit services; and
- the fees to be incurred relative to the audit fee.

In particular, the Committee has a policy, with effect from 1 April 2017, that the accumulated costs of all non-audit services sought from the auditor in any one year should not exceed 30% of the likely audit fees for that year and, by year four commencing on or after 17 June 2016 (ie FY commencing 1 April 2020), not exceed 70% of the average audit fee paid for the previous three years such that:-

- the costs would ordinarily be limited to 30% of prior year audit fee (as the current year number might not be known);
- Audit Committee / Chair of Audit Committee approval is required before any costs are incurred; and
- Before making any decision to exceed the 30% limit, the Committee should review the three year rolling average of such costs to ensure that three year rule is not accidentally breached.
