7. **Investment and Value of Locked-In Assets.** The Locked-In Assets shall be invested and re-invested on the direction of the Planholder as provided in the declaration of trust. The value of the Locked-In Assets at any time will be determined by the Agent's regular reporting practice.

If the Planholder does not give instructions as to the frequency of the payments, the amount will be paid in one payment at the end of the fiscal year.

The instructions must be given within a reasonable time prior to the beginning of the fiscal year to which they relate, or at another time if the Plan Issuer agrees. The instructions expire at the end of the fiscal year to which they relate. With the consent of the Plan Issuer, the Planholder may change the amount and frequency of the payments or request additional payments by instructing the Plan Issuer.

The Planholder must give the Plan Issuer instructions as to which of the Locked-In Assets to sell where required in order to ensure there is sufficient cash in the Plan to make the payments. If the Plan Issuer does not receive the instructions within a reasonable time before a payment is required, the Plan Issuer may sell any of the Locked-In Assets that the Plan Issuer, in its discretion, considers appropriate to provide the required cash; and the Plan Issuer will not be liable for any loss that may result from this action, including but not limited to investment losses or diminution of the Locked-In Assets, or for any related investment or administration expenses.

11. **Amount of Annual Income.** The amount of income paid out of the Plan during a fiscal year must not be less than the minimum amount prescribed for registered retirement income funds under the *Income Tax Act* (Canada). The amount of income paid out of the Plan during a fiscal year must not exceed "maximum", being the greatest of:
- (a) the income, gains and losses earned from the time the Plan was established to the end of the most recently completed fiscal year and, with respect to any Locked-In Assets that are derived directly from assets transferred from a LIF, the income, gains and losses earned in the final complete fiscal year of the LIF under the LIF, less the sum of all income paid to the Planholder from the Plan;

- A = 40% of the YMPE under the CPP for the calendar year in which an application is made; and
- B = the total pension income to be received by the Planholder for the calendar year in which the application is made from all LIFs, LRIFs, Life Annuities and pension plans governed by Newfoundland and Labrador pension benefits legislation or established by or governed by an Act of Canada or a Province, except income from a pension under the *Canada Pension Plan*.

14. **Initial Year.** For the initial year of the Plan, the "maximum" in paragraphs 11 and 13 of this Addendum shall be adjusted in proportion to the number of months in that fiscal year divided by 12, with any part of an incomplete month counting as one month.
15. **Maximum Where Assets Transferred from Another LIF or LRIF.** If a part of the Locked-In Assets at the beginning of a fiscal year corresponds to assets transferred directly or indirectly during the same year from another Life Income Fund or Locked-Retirement Income Fund of the Planholder, the "maximum" in paragraph 11 and 13 of this Addendum shall be deemed to be zero.
16. **Withdrawal Where Shortened Life Expectancy.** The Planholder may withdraw Locked-In Assets as a lump sum or series of payments if a medical practitioner certifies that due to mental or physical disability the life expectancy of the Planholder is likely to be shortened considerably. But where the Planholder is a former member of a pension plan, such payment may only be made if the Principal Beneficiary of the former member has waived the joint and survivor pension entitlement in a form and manner provided by the Superintendent.
17. **Withdrawal Where Small Amount.** The Planholder may withdraw all of the Locked-In Assets as a lump sum on application by the Planholder to the Plan Issuer for payment if, at the time the Planholder signs the application:

 - (b) the value of all assets in all LIFs, LRIFs and LIRAs owned by him or her and governed by Newfoundland and Labrador pension benefits legislation is less than 40% of the YMPE under the CPP for that calendar year.

An application under this paragraph shall be on a form approved by the Superintendent and, where the Planholder is a former member of a pension plan, accompanied by a waiver of the Principal Beneficiary of the former member of joint and survivor pension entitlement, in the form and manner required by the Superintendent.

18. **No Assignment etc.** Money payable under a Plan with this Addendum may not be assigned, charged, anticipated or given as security by the Planholder.
19. **Death of Planholder.** On the death of the Planholder who is a former member who has a Principal Beneficiary, the surviving Principal Beneficiary, or where there is no surviving Principal Beneficiary or the surviving Principal Beneficiary has waived entitlement in the form and manner required by the Superintendent, a designated beneficiary, or where there is no designated beneficiary, the estate of the member or former member is entitled to receive the full value of the Locked-In Assets as a lump sum.

Where the Planholder is not a former member, the full value of the Locked-in Assets shall be paid to the designated beneficiary or, where there is no designated beneficiary, to the Planholder's estate.

20. **Transfers and Payments; Terms of Investments.** All transfers and payments from the Plan are subject to the terms of the investments and will be subject to the withholding of any applicable tax and deduction of all reasonable expenses, costs, fees and charges. Transfers and payments may be made in cash or in kind, in accordance with the instructions of the Planholder and subject to the terms of the investments and the requirements of the Plan Issuer or the Agent.

If the Planholder dies before the balance of the Locked-in Assets is used to purchase an immediate life annuity, the information described in clauses (a) to (d) must be provided to the person entitled to receive the balance of the Locked-In Assets determined as of the date of the Planholder's death.

22. **Indemnity.** Should the Plan Issuer and/or its Agent be required to make payments or to provide an annuity or a pension as a result of any Locked-In Assets being paid out or transferred otherwise than in accordance with the provisions of this Addendum, the Regulation or as may be required by applicable law, the Planholder will indemnify and hold harmless the Plan Issuer and/or the Agent to the extent that Locked-In Assets were previously received by or accrued to the benefit of any of them or the Planholder's estate. This indemnity will be binding upon the Planholder's legal representatives, successors, heirs and assigns.
23. **Amendment.** No amendment shall be made to the Plan or this Addendum unless the Plan and this Addendum as amended remain in conformity with the Act, the Regulation and Directive No. 17 and with section 146.3 of the *Income Tax Act* (Canada).

An amendment that would result in a reduction of the Planholder's benefits under the Plan with this Addendum is permitted only where

- (a) the Plan Issuer is required by law to make the amendment; and

(b) the Planholder is entitled to transfer the Locked-In Assets under the terms of the Plan with this Addendum that existed before the amendment is made.

The Plan Issuer will give the Planholder at least 90 days notice of any proposed amendment; and where the amendment would result in a reduction of the Planholder's benefits, the Plan Issuer must allow the Planholder at least 90 days after notice of the nature of the amendment is given to transfer all or part of the Locked-In Assets. Notice of amendment must be sent by registered mail to the Planholder's address as set out in the records of the Plan Issuer.
