

# Introducing BMO Partners Group Private Markets Fund

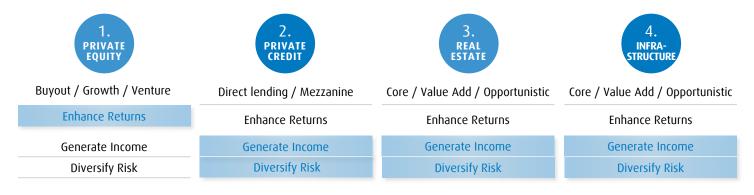

BMO Partners Group Private Markets Fund (the "Fund") provides single-ticket access to global diversified private markets for Canadian accredited investors. It can act as a core, long-term building block for portfolios, complementing public market holdings and enhancing risk-reward.

#### What are Alternative Investments and Private Markets?

Alternative investments include virtually everything that isn't traded publicly. Alternatives deliver diversification, may lower volatility and can enhance risk-adjusted returns.

The below private market asset classes fall within alternatives, with each playing a different role in enhancing risk-reward:

#### Private Markets: A Key Complement to Public Markets

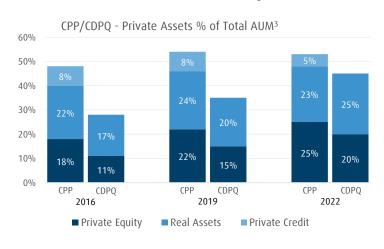

Private Companies Outnumber Public Companies Globally<sup>1</sup>...

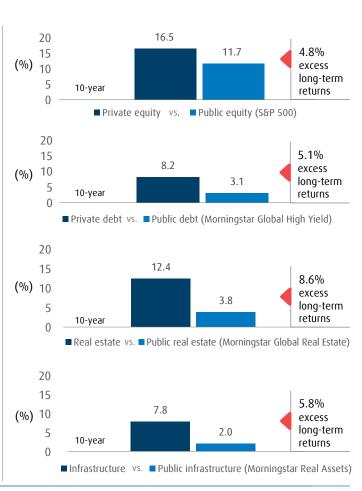

... While Public Markets Have Become Overly Concentrated

Top seven S&P 500 companies represent nearly 25% of market cap, which are all technology companies<sup>2</sup>

#### Canadian Pension Plans Have Led the Charge

#### Private Markets Have Historically Outperformed<sup>4</sup>
