

Independent Review Committee 2022 Report to Securityholders

December 31, 2022

Dear Securityholder:

As Chair of the Independent Review Committee (the “IRC”) and together with the Members of the IRC for certain of the BMO Mutual Funds (the “Funds”) managed by BMO Investments Inc. (the “Manager”), I am pleased to provide you with the IRC’s 2022 Report to Securityholders of the Funds, as required under National Instrument 81-107 – *Independent Review Committee for Investment Funds* (“NI 81-107”) for the period of January 1, 2022 to December 31, 2022 (the “Period”).

The IRC’s mandate is to review conflict of interest matters identified and referred to the IRC by the Manager and to provide an approval or a recommendation, depending on the nature of the conflict of interest, as required. When considering such matters, the IRC’s asks itself whether the Manager’s proposed action will achieve a fair and reasonable result for the Funds.

During the Period, the IRC met with the Manager on a quarterly basis and received the Manager’s reports of compliance with its conflict of interest policies and procedures. On an annual basis, the IRC conducts the following: a review of the Manager’s policies and procedures to confirm they continue to be adequate and effective in respect of the Funds and a review of its written charter which outlines its mandate, responsibilities, and procedures on how it performs its functions. In addition, the IRC assessed our effectiveness as a committee and the effectiveness and contributions of each of our members.

The members of the IRC, whose names are listed in the report, bring to their roles a combination of educational, professional and diverse experience and skills to adequately address the scope of the conflict of interest matters that come before the IRC. Since the formation of the IRC, its members have been fully satisfied with the open and cooperative attitude of the Manager.

The members of the IRC look forward to maintaining the highest level of cooperation and continuing to carry out its mandate in order to seek that the best interests of the Funds are paramount when the Manager is faced with a conflict of interest matter.

- e) the nature and extent of the workload of each IRC member, including the commitment of time and energy that is expected from each member;
- f) industry best practices, including industry averages and surveys on IRC compensation;
